\$2.3 Million Loan to Coleman Collieries

Coleman Collieries Ltd. have been granted a \$2.3 million loan through Federal Government Coal Mines Production Assistance

Announcement was made by Jean Luc Pepin, Federal Minister of Energy, Mines and Resources, and Minister of Labor, at a lunch-con meeting held in the Turtle Mountain Holed in Frank on May 10, who addressed a number of Coleman Collieries officials and Crows Nest Pass businessmen. Mr. Pepin stated that the loan had been approved so that Coleman Collieries could continue to mechanize and expand its operations to meet the demands of the large Japanese coal markets. He emphasized the fact that the loan had been made to help the prosperity of the region and not to protect the company.

had been made to help the prosperity of the region and not to protect the company.

Mr. Pepin gave a resume of the recent developments in the coal industry, stating that after a difficult period prior to 1987, use of coal in thermal power plants and the Japanese coal markets had put new life into the industry.

The Federal government at this time felt that mines required assistance to prepare the way for future huge sales of coal that they anticipated would come. This is why, he said, that subventions were paid to the coal industry to move its product. When people feel they are paying too high taxes he stated, they should realize they are getting a considerable amount of this tax money back in subventions. He stated that the Federal government had paid \$25 million worth of subventions to the western coal industry including Crows Nest, Coleman and Cammore, and

In April, 1967, Coleman Collieries negotiated a 13.3 million long ton coal order worth \$165 million with Japanese steel firms.

Mr. Pepin stated that Coleman Collieries plans to expand their operations to produce one million tons of coal per year by 1971 and by doing this the coal subvention could be dronned.

tons of coal per year by 1971 and by doing this the coal subvention could be dropped.

Stating that the load of \$2.3 million was the government's way of buying itself out of the subvention system Mr. Pepin concluded by stating "flow, it's up to the company, the miners and the unions to make the operation a success."

Mr. Pepin was introduced by Jack Diskin, General Manager of Coleman Collieries, who advised the Collieries is planning to spend \$8 million on a new coal preparation plant, and additional mechanical equipment for the mine. He stated that this was necessary so that Coleman could stay on a competitive basis with other coal-producing countries of the world. He said that work construction on the new plant would get underway in July and would be geared to bandle a million tons of coal per year.

handle a million tons of coal per year.

Accompanying Mr. Pepin on his visit to the Crows Nest Pass was Mr. Pepin's executive assistant, Paul M. Tellier.

Mr. Pepin and Mr. Tellier were taken on a tour of the Coleman Collieries mine and development during the afternoon.

CABLE PLANT EXPANSION **BOOSTS ECONOMY** IN CROWSNEST AREA

(The Alberta Commercial Report)

About three years ago, federal tax incentives attracted Phillips Cable (Western) Limited to the Crows Nest area of Alberta.

The resultant establishment and

The resultant establishment and expansion of their plant at Coleman were largely responsible for the area being taken off the fedral government's "designated" list after only two years, the first and only region to be so deleted.

The Phillips' expansion has been truly impressive. In 1965, three executives came west from Montreal to establish the new plant Starting with 10 employees, they expected to increase to a maximum of 75. Today, the staff has grown to double the expected size, with a payroll of \$800,000 annually. The original 56,000 square feet of floor space is now close to 100,000 feet, and total investment in

the plant by the company is approximately \$2.5 million.

The plant produces paper-insulated and plastic-insulated telephone cable, sized from one pair to 3,000 pair. Capacity has doubled in the past year and the plant operates 24 hours a day.

Alberta is the biggest single mar-ket for Phillips cable, but it is also shipped to B. C., Saskatche-wan and Manitoba. A small quan-tity is supplied to eastern Canada, some is exported to the Philippines and the Dominican Republic, and there is a good possibility that Nigeria will also become an export

Willow Valley Shoot on June 8th

Sharpshooters and crackshots from all over southern Alberta will be converging on the F. Lynch-Staunton Ranch, 12 miles north of Lundbreck on Saturday, June 8 to take part in the annual Willow Valley Trophy Club shoot.

The events will start at 10 a.m.

The events will start at 10 a.m. with .22 'rile and trap shooting events that will continue until noon, when lunch will be held. Following dinner all other competitions will get underway and continue through the afternoon and evening. Ladies of the Willow Valley Club will again serve dinner and refreshments throughout the day.

Valley Club will again serve dinmer and refreshments throughout
the day.

The day-long events will include
competition for juniors, men and
women and there will be small
calibre, big game rifle and shotgun competitions.

There will be 14 various competitions which will include single
events as well as some team
events. A grand aggregate trophy
will be awarded and contestants
will earn points towards this competition from the five-man team
event, the .22 calibre 50-yard event,
iron or scope sight big game rifle
event, the Hunters' match event,
and the trap shoot.

A total of 96 points is possible from the five competitions. The Club has announced that dominion marksmen targets will be used in all .22 calibre rifle competitions. Only rifles 7½ pounds or less may be used.

The trigger pull ruling of dominion marksman will not be enforced. Contestants must supply their own ammunition. Super clean long rifle shells will be available on the grounds.

The officials have also contained the contained that the cont

shells will be available on the grounds.

The officials have also announced that all competitors over 15 years of age must be members of the willow Valley Trophy Club. Actions on all firearms not in use on the grounds must be open.

Last year's trophy winners are urged to have their trophies turned in on or before the day of the shoot for presentation to new winners. Should adverse weather force postponement of the shoot the event will be re-scheduled for June 22nd.

It is a scientific fact that fluoride cuts down tooth decay in children when properly applied. Painting teeth with a fluoride solution does decrease the amount of tooth decay by 30 to 40 per cenf.

New Legion Film For National Convention

Convention

OTTAWA — The first showing of The Royal Canadian Legion's latest film is scheduled for Penticton during the national convention—which started on May 28th. Running to 28 minutes, the colored film offers a sampling of the diverse activities of the Legion's 2,000 branches. These range from Highland dancing in Nova Sociia to a rodeo in Stettler, Alberta. Other programs represented include a raft race, Acadian dancing, youth leadership training, field and track, hockey, curling, baseball, football and low rettal housing for the aged. The Legion's role in helping veterans and dependents in legislation and education is also portrayed as the organization's prime concern. Theme of the film is remembrance in action; it depicts how veterans consider service to others as a form of daily remembrance. Written and directed by Norman Shannon, it was produced by AKO productions and features an original musical score.

A.G.T. Buried Cable Season

Monday, May 6th, saw the start of Alberta Government Telephones 1968 rural buried cable season. Crews moved into the Legal, Hairy Hill, Two Hills, Stettler and Grandistricts. A total of 72 areas throughout the province will be visited by the cable plows this year. Of these areas, 40 are new projects, and 32 are areas already enjoying the convenience of dial telephones, but which must be expanded to accommodate new subscribers.

During this summer, 13 crews will be in the field endeavoing to complete the burying of 6507 miles of wire and cable before freeze-

up brings operations to a halt.

7410 new subscribers will be added to the growing list of rural residents now receiving four-party, rural buried service with facilities available for an additional 3738 potential subscribers.

The program, begun in 1964, has extended four-party service to 22,00 subscribers and seen 20,800 miles of wire and cable buried.

Wedding Solemnized

The Holy Ghost Catholic Church The Holy Ghost Catholic Church in Coleman was the setting for the spring afternoon wedding May 11, 1988, when Miss Patricia Ann, eldest daughter of Mr. and Mrs. Robert Ticknor of Bellevue, became the bride of John Edward Cornett, son of Mr. and Mrs. Melville Cornett of Coleman.

Given in marriage by her fath.

Cornett, son of Mr. and Mrs. Melville Cornett, son of Mr. and Mrs. Melville Cornett of Coleman.

Given in marriage by her father, the bride looked radiant in a floor-length, full-skirted gown of lace featuring scooped neckline and illy-point sleeves. She wore a shoulder-length veil and carried a bouquet of red roses and rosebuds. Attending the bride was her two sisters, Kay, who chose a pale green floor-length gown of peau felegance, and Lee, who wore a peach floor-length gown of the same material. Both wore braided matching head - pieces, matching shoes and white gloves. Each carried a matching bouquet. Flower girl for the occasion was Miss. Rita Barry, who wore a wfitte full-skirted short lace dress and carried a small basket of pink roses.

Attending the groom were lack.

and carried a small basket of pink forces.

Attending the groom were Jack Kinnear of Coleman, and Len Mc-Leod of Nanton. Ring-bearer was Douglas Cornett, nephew of the groom, while ushers were Stan Musial, Coleman, and Merle Goodfellow, Medicine Hat.

Tricknor chose a pink aerilon knit two-piece dress complemented by a corsage of white roses, a pink flowered hat and white accessories.

Mrs. Cornett wore a pale green crepe knit suit, pale green straw hat and a gold corsage. Following the ceremonies a reception was held at the Catholic hall, attended by 200 persons. Alec Cornett, brother of the groom, was master of ceremonies and called on Rev. Walter Krewski to offer the blessing. Toast to the bride proposed by Kenneth Strait, was responded to by the groom.

Kenneth Strait, was responded to by the groom.

An evening of dancing with mu-sic by the "Merry Makers", wa-held. The guest book was in charge of Mrs. K. Stait.

Out of town guests were present from Vancouver, Calgary, Leth-bridge, Medicine Hat, Drumbeller, Nanton, Kimberley, Carmangay, Tod Creek, Pincher Creek and Bow Island.

Miscellaneous Shower

On April 30, 1968, a lovely shower was held in honor of Miss Pat Tricknor in the Bellevue Catholic Hall. She was presented with a gold corsage by Anne Elliott. Mrs. Edith Ticknor (the bride's mother), received ther corsage from Sylvia Possi and Mrs. Katie Cornett, (the groom's mother), from Edie Nelson, Coleman. They were then escorted to the head table, the Wedding March being played by Mrs. Florence Freeman.

Bingo and whist were enjoyed by all present, which was followed by a very nice lunch served by the hostesses.

The bride was then presented with her gifts, which included a Hoover washer and drier, cannister set, bread box, step can, a dinner set, wall plaques and many other useful items.

Five men lived for a month in 1963 in a shelter 36 feet below the surface of the Red Sea.

Card of Thanks

We would like to express our sincere thanks to Mr. Jo-Jo Zak and Mr. 'Pep' 'Oliva for their do-nation of \$100.00 from the proceeds of the Hockey Pool.
